

Welcome

Thank you for your interest in the Vernon CommUNITY Fund (VCF) Scholarship Program! The Vernon CommUNITY Fund and Vernon City Council are dedicated to enriching the local community, and promoting higher education is aligned with our overall mission to contribute to the betterment of the Southeast Los Angeles County region. Vernon leaders are excited to offer the VCF Scholarship to students who are committed to investing in their education for a brighter future.

The City Council of the City of Vernon created the VCF to provide grants to charitable and governmental entities for projects and programs that benefit those residing and working in Vernon and its surrounding areas. The City Council established the Vernon CommUNITY Fund Grant Committee (Grant Committee) and provided the basic guidelines and operational procedures for said Committee and its officers, including those related to the allocation of funds and the processes for reviewing and ranking applications and awarding grants. Since its inception in 2014, the VCF Grant Committee has awarded approximately \$5 million in grants to non-profit organizations in the Vernon Area.

Over the years, the Grant Committee has sought to expand the work of the Vernon CommUNITY Fund in meaningful ways. The VCF Scholarship Program began as a concept, but quickly gained traction amongst Vernon leaders. The program was deemed to be a great opportunity for the VCF to establish a personal, viable connection with youth in the Vernon Area while supporting their pursuits of higher education and, in turn, elevating the region as a whole by ensuring that the career goals of students in our community are more attainable.

In 2018, the Vernon City Council authorized the Grant Committee to proceed with the implementation of the VCF Scholarship Program. The implementation of this program is the result of much thought, planning, and care. It has been designed with a true philanthropic mindset. It is the hope of the Vernon CommUNITY Fund and Vernon City Council that the VCF Scholarship Program will be a vehicle that offers many motivated, exceptional young people a path to accomplish their academic and career goals.

Again, thank you for your interest in the VCF Scholarship Program. The selection team looks forward to reviewing your application package and congratulates you on your many educational achievements thus far.

Sincerely,

Vernon CommUNITY Fund Scholarship Program Administration

I. Vernon CommUNITY Fund Scholarship Program Guidelines

The Vernon CommUNITY Fund (VCF) Scholarship Program focuses on 12th grade students living or attending school in the Vernon Area (which includes the cities of Vernon, Maywood, Bell, Huntington Park, Commerce, the area within the City of Los Angeles known as Boyle Heights, and the unincorporated area known as East Los Angeles).

Scholarship Criteria

Vernon Municipal Code (VMC) Section 2.48.120(B) sets forth the specific selection criteria for scholarship recipients and will be the specific standards used to identify qualified applicants who, ultimately, will be recommended as scholarship recipients. Selection criteria have been identified to clearly define the profile of the scholarship recipient.

Many factors will be considered when evaluating scholarship applicants. Scholarship criteria include an applicant's financial need, academic achievement, and the geographic distribution of scholarships. The scholarship criteria support the purpose of the Vernon CommUNITY Fund, which was established to provide charitable contributions in support of improved quality of life, strengthening of families, and affirmation of Vernon's ties with neighboring communities in pursuit of bright futures. The VCF Scholarship Program was created to provide disadvantaged youth in the Vernon Area the opportunity to achieve success in their post-secondary educational endeavors.

Award Criteria

- Financial need (30 points)
- Community/extracurricular involvement and leadership (30 points)
- Academic achievement (20 points)
- Awards and recognition (10 points)
- Personal and/or family attributes and values (10 points)

Eligibility

12th grade students enrolling in a post-secondary educational institution with full-time status who reside or attend school in the Vernon Area (as defined above) may submit an application for a VCF Scholarship.

Specific eligibility standards are identified within this section. In order to be considered for award, applicants must meet all of the following detailed criteria:

- Graduating High School Senior
- Achievement of a Minimum Weighted Grade Point Average of 2.0 in high school level coursework for trade school or two-year College applicants; or Minimum Weighted Grade Point Average of 2.5 in high school level coursework for four-year College/University applicants at the time of VCF Scholarship application submission

- Pursuit of a two-year or four-year Degree from accredited College/University; or pursuit of Trade School Certification
- Full-time enrollment at post-secondary educational institution of choice (minimum of 12 units for college) at the time of award
- Immediate transition into a post-secondary educational institution upon graduation from high school (must begin post-secondary coursework within 6 months of graduation)
- Residency or school attendance in the Vernon Area (U.S. Citizenship is not required)
- Demonstration of strong leadership skills and responsibility (successfully communicated in scholarship application)
- Active in extracurricular activities (i.e., school/community involvement, employment, internship)
- A minimum of 20 hours of community service from 9th grade to first semester of 12th grade
- Not a City of Vernon employee or a legal dependent of a City of Vernon employee, Vernon City-appointed official, or Vernon City-elected official

Application Procedures

The information requested on the application is a reflection of the selection criteria designated for the VCF Scholarship Program. The following question and answer section (Q&A) addresses issues related to the VCF Scholarship application process:

Q: Where and when are scholarship applications available?
A: In January of each year, applications will be available on the Vernon CommUNITY Fund website: www.vernoncommunityfund.org

Q: Where should scholarship applications be submitted?
A: Students may submit their complete application packages to the Vernon City Hall City Administration Office. Contact information is available on the website if any questions or technical issues arise during the application submission process.

Q: When are scholarship applications due?
A: The Vernon CommUNITY Fund will accept scholarship applications through the last Thursday in March.

Q: What additional information/documents must accompany the scholarship application?
A: As per the eligibility criteria noted above, students must submit proof that they reside or attend school in the Vernon Area (e.g. utility bills, proof of school enrollment); most recent report card; evidence of GPA with high school transcripts; sworn statement (found on the Vernon CommUNITY Fund website in scholarship applicant package) of a teacher or program director/supervisor with knowledge that applicant has performed the minimum amount of community service; and evidence of extracurricular activities. Although not required, students may also include letter(s) from post-secondary educational institution(s) along with their scholarship application.

Q: How and when will the scholarship award winners be notified?
A: Scholarship grant applicants recommended for award will be reviewed at the regular VCF Grant Committee meeting in May. Applicants selected for award will be notified within one week of scholarship award via email.

Q: How and when will the scholarship awards be disbursed?
A: Award disbursement will occur in June, with checks directly mailed to scholarship grantees.

The VCF Grant Committee retains the right to withhold scholarship grants in any given year if no candidate is determined to be qualified.

Additional Considerations

- Scholarship amount will be based on applicant competition and funds available for award
- Personal interview of scholarship applicant may or may not be required, and shall be determined after initial review of applicant pool
- Applications may be summarily denied, with or without prior notification to the applicant, if any statements or representations in the application and supporting materials are found to be untruthful, dishonest, or misleading

Selection Procedures

Procedures for selection of award will mirror the current process used for the award of direct service grants through the Vernon CommUNITY Fund. The initial evaluation of a scholarship application will be a joint effort amongst City staff and consultant, Jemmott Rollins Group (JRG). Ultimately, the application of any candidate(s) recommended for award will be brought to the VCF Grant Committee in May for deliberation and approval(s) of grant(s).

The VCF Scholarship Program is designed to benefit a broad class of beneficiaries through an objective process that is nondiscriminatory in nature.
